## Product Description

No wind, no worries, your message is always readable and rotates with the slightest breeze to attract attention!

Ideal for Automotive Dealer lots, or trade shows. The Mini Wing comes in multiple shapes to best fit your message and slides on a durable fiberglass pole with a wide molded clip that easily attaches to any car or truck window.

All the base can be removed easily from any car surface, with no markings!

Single reverse or double sided printing is done on strong polyester either screen or digital printed with deep color impact.

Depending on model selected: Mini Wing average size: 60 x 30 cm / 24 x 12 inches for a total height of 80 cm / 32 inches.
